The Funny Bone Comedy Club & Restaurant... for your next group event...

State of the art sound and lighting, combined with a complete selection of audio-visual options including a large projection screen, will make performances “pop” and reserved events memorable. This venue is available for group rental during non-performance hours and is the perfect place for corporate events, meetings, and holiday parties. Our event planner will be happy to assist in arranging entertainment in addition to all audio-visual, catering, and guest services.

CORPORATE – Private, full venue buy-outs or semi-private events from 20 – 350 guests. Entertain clients, recognize employees, and more! Since the showroom has fully equipped state of the art audio-visual capabilities, your company can conduct sales meetings, product training, or roll-out events; hold public speaking seminars and creative team building sessions, all in a private setting during daytime office hours.

CONVENTION – Perfect for any association/convention event. Let us select a comedian sure to please your group. Special spouse programs, break out sessions, and more are available. Our facility is close to convention centers, expo centers, and exhibit halls.

TOUR AND TRAVEL – Let your tour or incentive group experience the history of stand-up comedy and see where most famous comedians got their start!

SOCIAL – Come celebrate social events with your family and friends. From birthday parties to retirement parties and everything in between.

NON-PROFIT/FUNDRAISING – Charity, Community, Religious, Fraternity/Sorority, Sports, and Special Interest Groups raise revenues laughing all the way to the bank (group specific comedian matching)!

SPECIAL EVENTS – Holiday Parties, Stand-up Comedy Classes, and much more! We invite you to use our entertainment spaces for all of your event needs. Our group sales team is pleased to help determine your needs and create an event that allows you to spend time with your guests, instead of tending to details during your event.

If you would like to bring a group for entertainment, we are happy to offer group discounting for gatherings of 20 or more people.

If you are interested in planning an event with us, please contact our event coordinator!
